

PARTNER SEARCH

Funding Call or Programme	Funding in the Area of Rights and Justice, Health, Education, Culture, Youth and Sport
Proposal	Europe for Citizens Programme, European Social Fund, The Rights, Equality and Citizenship Programme, Health Programme, Erasmus +, Creative Europe, Horizon 2020.
Partner's brief: CVS for Broxbourne and East Herts	<p>The Council for Voluntary Service (CVS) for Broxbourne & East Herts (CVS BEH) is a support organisation, providing information and services to community groups in the districts of Broxbourne and East Herts. It works closely with Councils and Housing Associations as well as other public bodies.</p> <p>The CVS offers support for people seeking to set up new groups, as well as to established projects looking for assistance with seeking funds and improving the quality of services they provide. The CVS produces a monthly e-bulletin and delivers several training opportunities and informative networking Forums'.</p> <p>More about CVS BEH on: www.cvsbeh.org.uk;</p>
Aims, Objectives, and expected results	<p>CVS BEH would be interested in joining projects that are being developed with the following aims and objectives in mind:</p> <p>Aims:</p> <ol style="list-style-type: none"> 1. Facilitate the integration within the minority ethnic community as well as building community cohesion with the wider indigenous population 2. Create ground-breaking approaches to working with groups of different backgrounds and cultures. Assessing a method which can be replicated in other member states. Use different ways in order to make the process successful e.g. art, sport and physical activity, civic

	<p>participation.</p> <p>Objectives:</p> <ol style="list-style-type: none"> 3. To promote the active participation of BME (Black and Minority Ethnic) people in their local area 4. To establish and support a number of different BME community groups that can build capacity within the community and act as a sustainable link for future work with their community 5. To empower BME and local communities to actively participate in local democratic processes (e.g. residents panel, schools governor, councillor, etc) 6. To build bridges between members of the community, local statutory bodies and NGOs 7. To progress equality of opportunity and community cohesion 8. To reduce health inequality within BME communities.
Lead Partner	CVS BEH would prefer to join an existing consortium
Which kind of partners are sought	<ul style="list-style-type: none"> • NGO's • Local and Regional Authorities • Sport clubs and sport organisations • Housing Associations
